

WITH YOUR HELP, WE ARE MAKING A DIFFERENCE!

Larc School strives to meet the needs of all students and young adults with varying disabilities in a dignified manner by providing opportunities for growth, development and most important, independence.

We recognize that a student's success soars when a strong connection between family, school and community exists. That connection, when combined with Larc's educational, therapeutic and recreational curriculum, allows each individual to reach their greatest potential.

Services at Larc Include:

- 1:1 Nursing Services Available to Accommodate Medically Fragile Students
- Two Full Time RNs on Site
- Relationship Development Intervention (RDI) Techniques Utilized
- Individualized Multi-Sensory Program
